

Technical datasheet **WASA UNIPLAST® ULTRA**

Polymers reclaimed plastic material made of styrene polymer (PS,ABS, ABS-PC) compounded with additives

Density to GIS DIN 53 479

ULTRA version 1,20 g/cm³ *

E-Module to GIS DIN 53 457

ULTRA version 5.400 N/mm² *

Shore hardness D to GIS DIN 53 505

ULTRA version ≥ 70

Tolerance in height ± 0,5 mm

Tolerance in length ± 2,0 mm

Tolerance in width ± 4,0 mm

Fire protection class
to GIS DIN 4102 part 1 B2

* all values are approx. values as a function of record type and execution

** GIS - German Institute for Standardization
